Full-Stack Web Developer

Enthusiastic web developer fascinated by the beauty of mathematics/logic and passionate about pursuing a more functional and intuitive user experience. My extensive experience in fast-paced, service-focused teams, paired with a background in mathematics and newly developed JavaScript, SQL and HTML/CSS skills make for a powerful problem-solver and a valuable asset to any technical team.

Technical Skills

HTML5 | CSS3 | Bootstrap | ES6 | jQuery | Node | Express | SQL/Sequelize
